By supporting CSOs and, in particular, youth organisations, we will empower the citizens in the Western Balkans

- ▶ to actively advocate for the adoption of EU values and the empowerment of responsible democratic institutions
- ▶ to take part in public dialogue on reforms and development perspectives
- ▶ to spread knowledge pertaining to the economic and social progress brought about by the adoption of EU standards
- ▶ to work together on the advancement and implementation of common cause projects
- ▶ to overcome issues resulting from the region's turbulent past through dialogue and cooperation and to support neighbourly relations and reconciliation
